International Organization invites applicants for the position of

**JUNIOR AGRONOMIST**

The position is for a Junior Agronomist in the Office of Economic Growth and Agricultural Development. The incumbent will provide intensive environmental monitoring and evaluation of project activities at the field level.

Required Qualifications:

Education: A Bachelor's degree in rural development, agriculture, agri-business, economics, natural resource management or a related field. An advanced degree in areas that are directly relevant to the position requirements is preferred.

Work Experience: Minimum of five years in a relevant field with preference given to someone with significant agriculture or rural development, agricultural marketing, or natural resource management experience.

Language: Fluency (both written and spoken) in English, French and Creole is required.

Skills and Aptitudes: Adequate knowledge in tropical agriculture, rural finance, cooperative and rural enterprise development. Ability to collect and analyze data is essential, also to establish and maintain a wide network of contacts. Knowledge of computer software is a must.

This position is compensated in Local Currency.

**Only qualified candidates will be contacted**

Curriculum Vitae sent in **English** no later than May 4, 2012 to: [paphr@usaid.gov](mailto:paphr@usaid.gov)
